Central Lancashire Business Network - designed specifically with you in mind.

The Central Lancashire Business Network is a private sector initiative dedicated to improving local business trading conditions and tackling long term economic issues facing businesses operating in Central Lancashire.

The Network is dedicated to supporting the local business community in the growth of their businesses through the exchange of knowledge, information, experience and business opportunities. We are committed to providing a structured and supportive business environment aimed at encouraging the entrepreneurial spirit of the area.

By joining the Central Lancashire Business Network you will help your company gain access to a wide range of business services designed to meet our members needs. You will also be part of a distinctive group of companies that is committed to campaigning for the private sector to have a greater say in shaping the areas economic future.

For a small annual subscription, Membership of the Central Lancashire Business Network offers a range of services including:

- Updates on local developments and business opportunities
- Access to business information, market intelligence, expertise and contacts
- The opportunity to promote your services and products
- Seminars, workshops and networking events shared knowledge and expertise
- More effective networking
- Information on funding initiatives
- The exchange of ideas and experiences with fellow businesses

A comprehensive events programme provides members with an ideal opportunity to learn and gain access to professional expertise from professionals, through seminars and workshops. The Network also aims to support and represent Central Lancashire's business community in partnership with education, government, and economic development organisations.

So whether you are an established business or new to Central Lancashire... come and join us and enjoy the many business benefits this unique network has to offer.
