

Advert
Non-Executive Directors
Blackpool Teaching Hospitals NHS Foundation Trust

Blackpool Teaching Hospitals NHS Foundation Trust is committed to providing exceptional healthcare services through openness, engagement and integrity.

The Trust now wishes to recruit two replacement Non-Executive Directors to the Board. The role of the Non-Executive Directors is to support the Board of Directors in providing an independent view on the Trust's Strategy and to oversee the Trust's implementation of national strategies and regulatory compliance.

The Trust is currently in year three of its five year strategic plan and, as a Non-Executive Director, you will be part of an enthusiastic, transforming Unitary Board, taking an active involvement in implementing the strategy – keeping the patient at the heart of the Trust's objectives so they receive the very best care possible. Our requirement is for the candidates to have senior level/Board experience in a large and complex organisation.

The remuneration is £13,312 per annum with a time commitment of around 4 days per month.

Applications are welcomed from all sections of the community; we would be particularly pleased to receive applications from candidates from a BME background and women as part of our strategy to increase diversity at all levels of our organisation.

For an informal discussion, please contact Pearse Butler, Trust Chairman, on 01253 956857.

The closing date for applications is Friday 28th December 2018 (midnight) and the interviews will take place on Wednesday 16th January 2019.

Please note that if you are successful in obtaining a position with the Trust you will be required to undertake a Disclosure and Barring (DBS) check.
