# ENGAGE WITH UN AGENCIES

## Northern Powerhouse Trade Mission to UN Procurement Conference

6th - 8th March 2023

Join the Northern Powerhouse's cohort of companies attending the UN Procurement Conference in Copenhagen, Denmark next year. You will have the opportunity to attend the UN's International Procurement Seminars, also known as Multi-Agency Business Seminars, and pitch to UN Buyers in person. Selected UN Agencies participate and typically deliver a brief presentation of their Agency as well as take part in workshops and panel debates.

The trade delegation programme is being organised by the trade team in the British Embassy in Denmark, together with trade promotion partners from Enterprise Ireland and the Netherlands Enterprise Agency and will involve access to the conference and a networking reception.

These sectors would benefit most, but are not exclusive:

- Medical and Pharmaceutical
- Water and Sanitation
- Power Generation
- Laboratory Equipment
- Food and Drink
- Shelter and Basic Domestic Supplies
- Logistics
- Security Equipment and Services
- Corporate Training
- Specialised Consultancies
