

# AFFILIATE MEMBERSHIP

**The North & Western Lancashire Chamber of Commerce is an independent membership organisation. We support, grow and represent over 1,600 businesses in Lancashire and drive the economic wellbeing of the county.**

We are part of the British Chambers of Commerce (BCC) which represents 75,000 businesses in the UK, employing over five million people. Our members range from large organisations with over 300 employees to early-stage businesses.

They count on the Chamber for a range of services including growth and development, protection, training, international trade, representation, events and networking, start-up advice, carbon reduction programmes and exclusive discounts.

**We're also part of a global network of Chambers operating in all major industrial nations.**
