## Key Services

### One-2-one review

Members are entitled to a free, no obligation, One-2-One review with a Quest Business Manager.

This will check your levels of HR compliance, advise on any issues you may have and then give an honest appraisal of what you need.

### Employment law services

ChamberHR includes many aspects of employment law support such as advice, core documents and employment tribunal insurance cover. However additional services, such as an ACAS Early Conciliation service and Settlement Agreements are also available at exclusive member rates.

## For all members **Chamber Protect**

ChamberHR is a valuable support service for any business that is currently employing people. For a small business with no in-house specialists it is an essential asset, as all the expertise needed is easily accessible. For the larger SME which does have some in-house resource it is a vital support for that department. Many large companies also use it to help them with complex cases.

# The easy way to health & safety compliance

## Website

Access over **130 free downloadable template documents** via our **Information and Knowledge Hub**.

Our free **Health & Safety health check** has been designed to help you identify the areas where your business may need assistance and for us to assist in providing the best advice and guidance to your organisation.
